IPR TO HOST COMMUNITY JOB FAIR IN KNOXVILLE, TENNESSEE

KNOXVILLE, Tenn., September 19, 2011 – IPR Southeast and ITG, subsidiaries of IPR, a leading provider of underground rehabilitation solutions with offices throughout the United States, today announced its plans to host a community job fair on Tuesday, September 27th from 8:00 a.m. to 12:00 p.m. IPR Southeast General Manager Steven Morini made the announcement.

The event will be held at, ITG Southeast, located at 2640 Byington Solway in Knoxville, Tenn., and is open to residents 18 years or older. Attendees will have the opportunity to meet with several staff members from Team IPR during the event, and interviews and tours will be provided to qualified candidates. The company will be hiring to fill several open positions, including crew personnel, contract administrators, assistant project managers and project managers.

“Since the opening of our new headquarters, we’ve experienced an immense growth of job opportunities throughout the southeastern region of the country, and in particular, Knoxville,” said Morini. “With this influx of work comes the exciting opportunity for our staff to meet with qualified professionals in the Knoxville area in need of employment.”

For more information on this event, please contact Ray Cuevas, director of Human Resources, at (281) 362-0829 or rcuevas@teamipr.com.

IPR is the largest growing national leader and provider of underground rehabilitation solutions, with offices in six states throughout the United States, including CA, GA, FL, MI, TN, and TX. Licensed in over 25 states, IPR uses the latest technologies in the industry and has patented pipe cleaning tools that provide the U.S. with the only “Green” environmentally friendly rehabilitation method. .
